

# Blossom Bin Trio Pattern

---

Blossom Bins are a fun way to organize your stitching supplies in three sizes - Tiny, Medium and Large. Find the directions on Create Whimsy.

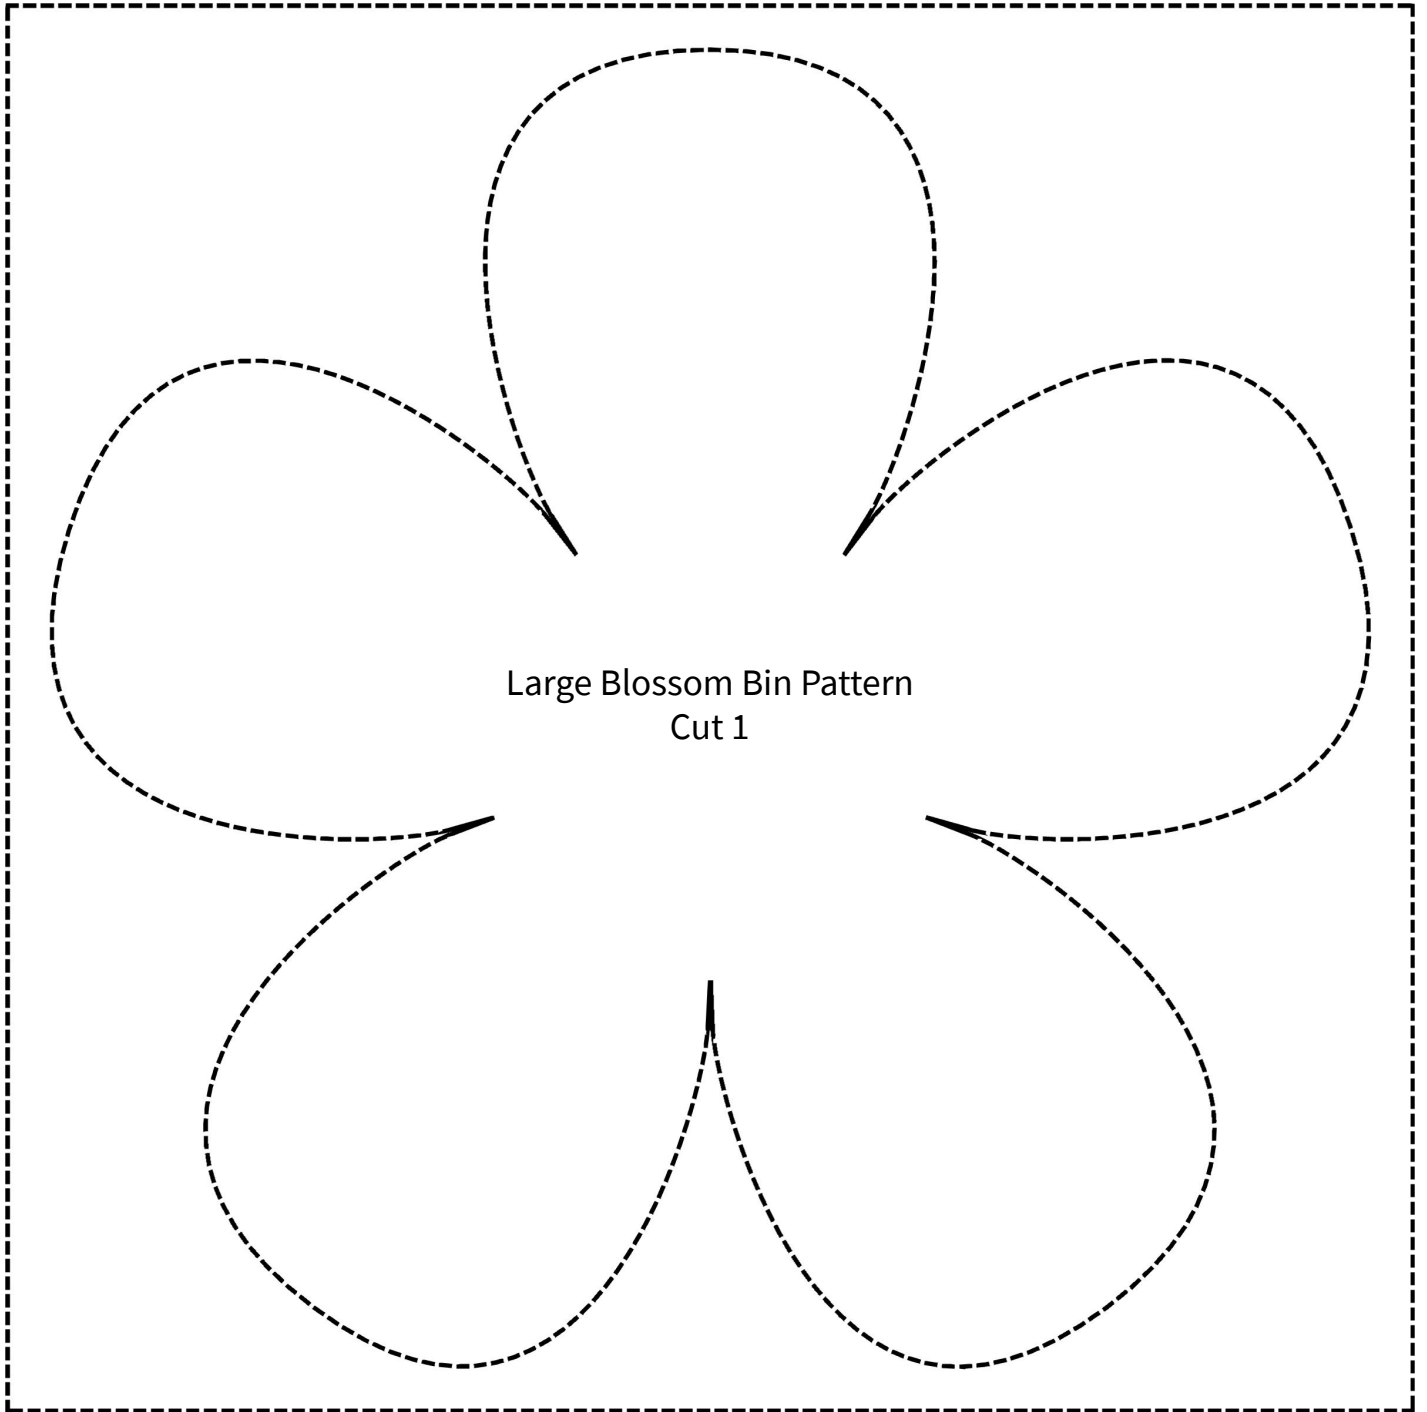

---

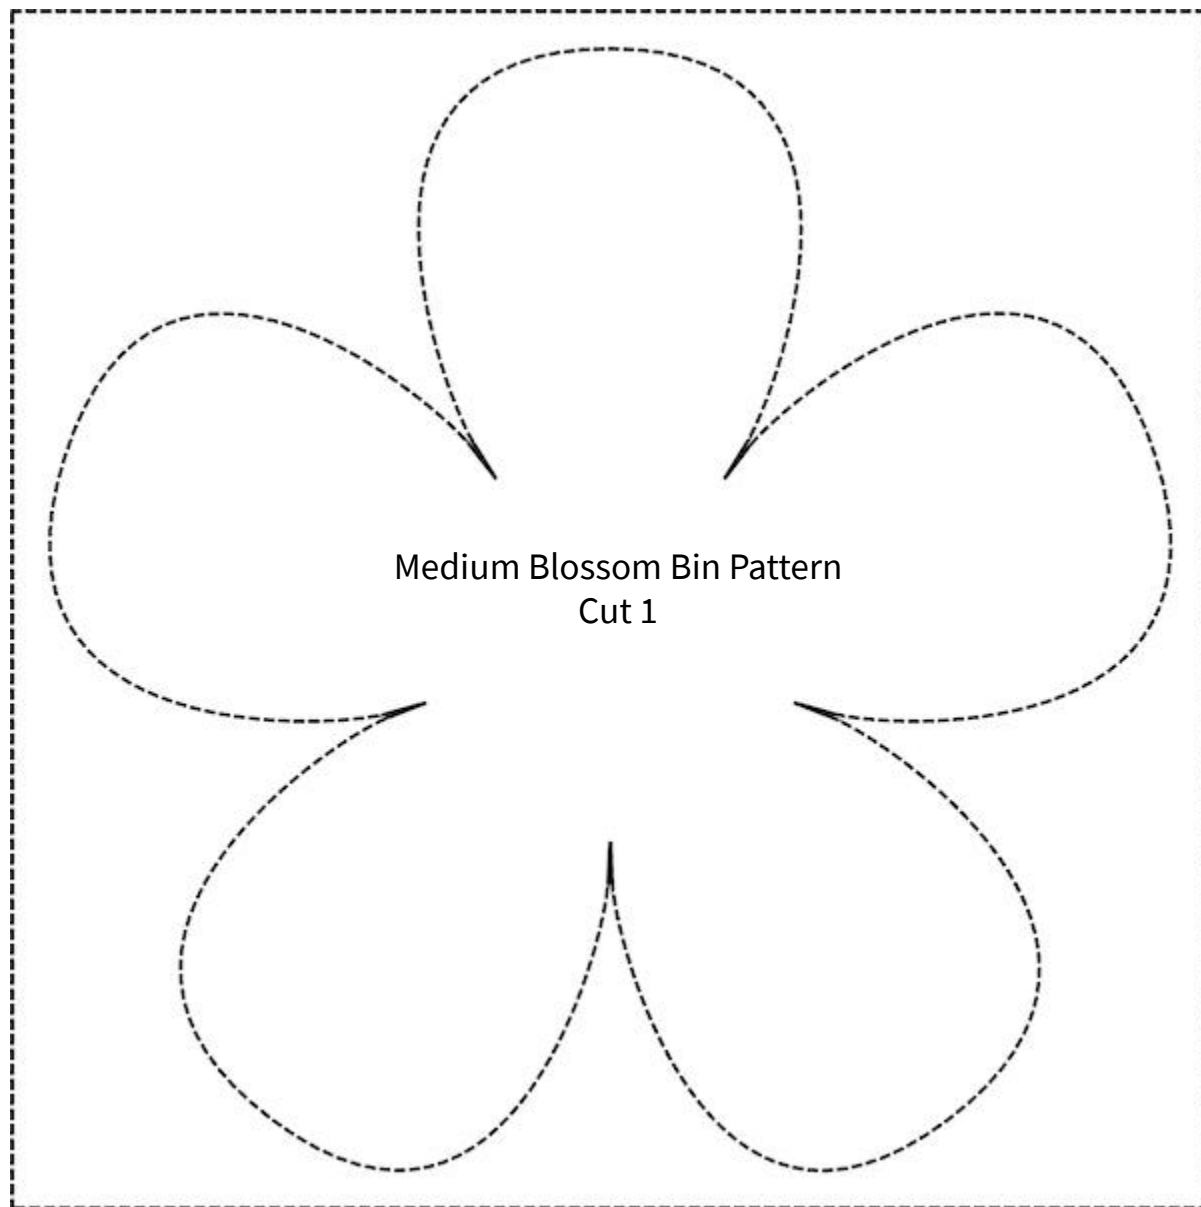

These are made with Kraft-Tex, a paper textile that is perfect for this pattern. Since the edges are raw, select a material that won't ravel, like the Kraft-Tex, vinyl or felt.

Check out our [Everything You Want to Know About Working with Kraft-Tex](#) article on Create Whimsy to learn more about working with this product!
